

WHO?

High school age students - current 9th, 10th, 11th grade - who have completed the University of Charleston Health Professions survey at their school are invited to apply for the Health Professions camp.

WHAT?

A free summer camp to explore different careers in healthcare.

WHEN?

The camp begins Sunday, June 22 and ends Friday, June 27, 2014.

WHERE?

University of Charleston School of Pharmacy in Charleston, WV.

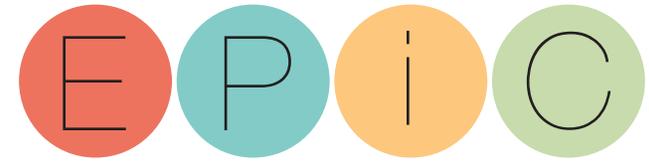

304-357-4354

2300 MacCorkle Avenue, SE
Charleston, WV 25304

@UCSOP

Exploring **P**rofessions in Health **C**are

It's going to be:

Exploring Professions in Health Care

Why should you apply?

Thinking college is not right for you? This camp will provide information about many different healthcare careers and how to afford the training. Plus, you will learn about college life.

The University does not discriminate on the basis of gender, race, color, age, religion, national origin, disability, veteran status, or any other legally protected category.

Activities

You will interact with doctors, nurses, pharmacists, physician assistants, athletic trainers, occupational therapists, dentists, and many more! The select group of students will get to do many hands-on activities related to these healthcare fields. You will have fun projects to take home and share with your friends and family after this camp!

Campers will also enjoy adventures and tours in the local area, such as:

- Visiting a local hospital.
- Seeing simulated “patients” and even treating them!
- Riverfront cookout and activities.
- A nature-walk in the forest to learn about plants used for medicine.
- Taking part in activities on UC’s beautiful campus such as sports, movies, and much more!
- Making new friends while learning about your future in a healthcare field.

How to apply

Please fill out the electronic application at: www.ucwv.edu/epic. The camp faculty will select 35 current 9th, 10th and 11th grade students to participate. Admission is competitive, so please submit your application no later than May 15, 2014.

Science teachers may submit electronic recommendations to: dpas@ucwv.edu or mail to the address on the back of this brochure.

Lodging/Meals

Students will stay in UC dormitory rooms and meals will be in the UC dining halls.

Cost

There is no registration fee for the camp. The costs for lodging, meals, instruction and activities will be provided by the University of Charleston as a part of a rural health initiative grant funded by the West Virginia Higher Education Policy Commission.

QUESTIONS?

Please contact Dr. David A. Latif by e-mail at davidlatif@ucwv.edu or Mrs. Marea Dodd by telephone at 304-357-4354.
