Join Google in Charleston

What

A workshop to help customers find your business. You'll update your business info on Google Search and Maps, build a free website, and more.

When

Wednesday, September 2
9AM - 12PM

Where

Clay Center
1 Clay Square
Charleston, WV 25301

Space is limited, so reserve your spot today.

Here's what you'll learn at the event:

How to make sure customers can find you on Google Search and Maps.

How to build a free website and register a domain name for your business.

How to use analytics and search engine optimization to improve your online presence.

We'll provide laptops and everything you need. But feel free to bring your own computer and a fellow business owner too — everyone is invited.

P.S. Wear (or bring) an item of clothing with your business name on it. We'll be taking a group photo to help remember all the great business owners we met.
